

INDUSTRIAL PROFILE

Float Boost Battery Charger

- Float cum Boost Charger
- Float & Boost Charger
- Float & Float Cum Boost Charger
- Dual Float Cum Boost Charger

Battery Charger

- Digital SMPS Based
- Automatic Battery Charger
- Multipurpose Battery Charger
- Digital Universal Automatic

AC DC Distribution Panel

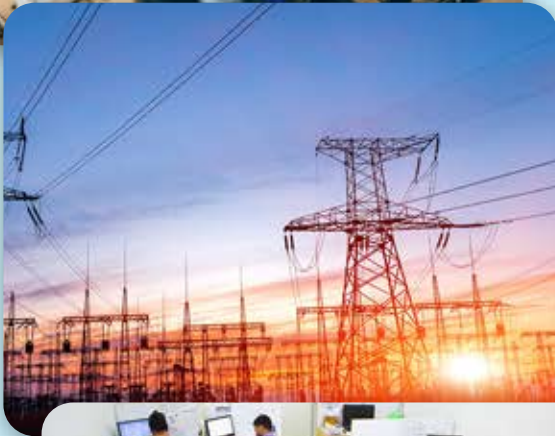

- Power Control Center (PCC Panel)
- Motor Control Center (MCC Panel)
- Automation Panel (SCADA PLC Panel)

Servo Voltage Stabilizers

- Servo Stabilizer Single Phase (BSS)
- Servo Stabilizer Three Phase (PSTD)

Auto Load Changeover Relay with Load Limiter

Control Transformer SMPS

BAID POWER SERVICES Pvt. Ltd.

Introduction

“BPS” is a Kolkata-based MSME unit established in 2003. During the last decade, the company has established itself as one of the leading players in the power electronics segment. We have implemented many projects from concept level to production – Installation.

For Industrial, We Provide

- Float cum Boost Charger DC power supply
- MCC, PCC and AC-DC Distribution Panel
- Automatic Battery Charger Digital - PABD
- Multipurpose Battery Charger
- Digital Universal Automatic Battery Charger
- Servo Stabilizer Digital Series - PSTO Three Phase
- Servo Controlled Stabilizer - Single Phase
- AC Line Reactor
- Control transformer
- Current Relay
- Smart Load Limiter
- Water Level Controller
- SMPS Battery Charger
- Solid State Alarm Annunciator
- Solid State Call Indicator
- Emergency Exit Light
- Electronic Hooter
- Informational Display System
- IP Based Nurse Call System
- Micro Controlled Based Nursecalling System
- Queue Management System
- Hospital Bed LED Light
- SMPS Power Supply
- Voltage Relay
- Current Relay
- AC Earth Faulty Relay
- Running Light Controller
- Fastest Finger First

Industries We Serve

POWER UTILITY
EPC CONTRACTOR

HEALTH CARE SECTOR

GOVERNMENT SECTOR

DEFENCE & PWD

RAILWAYS

About Our Company

“Baid Power Services Pvt. Ltd” is NSIC registered, ISO 9001:2015 certificated unit. Our promoters are Mr. Ramesh Baid – having more than 30 Years of experience in Power Electronics and Mr. Anupam Baid, a Qualified Engineer with MBS and over 20 years of experience. It’s an Office, Factory, R&D center are in Kolkata. We are a team of young engineers dedicated to design- manufacture and install of innovative devices in electrical and electronic control devices/equipment.

We have expertise in Design and Manufacturing products in the field of Power Distribution & Transmission. Our equipments are well received by Power Generation, Transmission, & Distribution Utilities and various industries like Steel Plants, Defense Units, Railways, Oil Sector Corporations, Chemical Units, and other Industries.

We have also designed and made many equipment and devices for Health care segments like IP-based Nurse Call Systems, customized

“Baid Power Services Pvt. Ltd” is a diversified manufacturing enterprise providing product and solutions in healthcare and power control and distribution segments. With over 35 years of experience we have satisfied our customers by providing right solution, at right time at right cost. Striving to be ahead of the technology curve, we are integrating innovation and providing cutting edge technology to our customers. Truly believing in developing indigenous products and technology we strive to take “Make in India” forward. With more than 45 + products and counting we are constantly innovating for our customers, with some of our products competing with global leaders.
